

## **NEW SALEM/WENDELL SCHOOL COMMITTEE**

### **ORGANIZATION OF INSTRUCTION**

The District offers a diversified educational program compatible with the needs of the community and state standards.

The organizational plan is designed to facilitate the philosophy of educating every student, each to their fullest potential.

The structure will consist of multiple levels (for example, Primary/Elementary, Middle and Secondary levels).

The Primary/Elementary level includes schools with preschool through grade six.

Special education services are integrated across each grade level in all schools.

The organization is designed to meet the standards established by the Department of Elementary and Secondary Education's Curriculum Frameworks, by Time and Learning regulations, and in order to serve the needs of all students.
